Duke's Counter - Draught Beers

INTERNATIONAL

Fuller's London Pride - 4.7% - Chiswick, London, England

Award-winning example of this historic English style; exceptional balance of malt and hops, giving rise to well-rounded flavour.

LOCAL CRAFT

Port City Porter - 7.5% - Alexandria, VA

Smooth and silky, the flagship Porter pours a dark mahogany with a firm cap of tan foam. The complex malt bill imparts bittersweet chocolate and coffee notes and a depth that bigger beers aspire to.

AMERICAN CRAFT

Founders All Day I.P.A. - 4.7% - Detroit, MI

The most popular session IPA in the country, naturally brewed with a complex array of malts, grains and hops. Balanced for optimal aromatics and a clean finish.

Sea DOG Sunfish wheat - 4.6% - Topsham, ME

Beer with natural flavors added. Our unique light bodied wheat beer with a fragrant peach essence, and a clean refreshing grapefruit finish.

Genesee Cream Ale - 5.1% - Rochester, NY

Soft character and a remarkably creamy white head. Genesee is a beer with a flavor of an ale and the smoothness of a lager. A favorite from Upstate.

North Coast Alt Nouveau Altbier - 4.7% - Fort Bragg, CA

Alt Nouveau is a decidedly hoppy take on the Alt style, a classic method of brewing using top fermentation. The result tastes like a lovely mix between a brown ale and a West Coast I.P.A.

The Duck-Rabbit Milk Stout - 5.7% - Farmville, NC

This traditional full-bodied English sweet stout is brewed with lactose (milk sugar). Exceptionally smooth with hints of chocolate.

Shipyard Export Ale - 5.1% - Portland, ME

A distinguished American Golden Ale, Export offers hints of malty sweetness, distinctive hop aromas, finishing clean and crisp, refreshing to almost any palate.
